General Information

TIME—Saturday, March 25, 1972. Sale will start promptly at 12:30 P.M. C.S.T.

LOCATION—The sale will be held in the Spencer North Y Sale Pavilion located $\frac{1}{4}$ mile north of junction of Highways 71 and 18, Spencer, Iowa.

TERMS—The terms of this sale are cash unless other arrangements are made in advance with the seller, and the sale manager is notified of the arrangement. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

GUARANTEE—All cattle sold in this sale will be sold under the Standard Guarantee recommended by the American Shorthorn Association. All bred females will be pregnancy examined and results of that examination will be announced at the sale. The only exceptions will be some late breeding dates which will also be announced at the sale.

LIABILITY—Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneers, clerk and sale manager have been employed by the seller for specific tasks not connected with the handling of the cattle or the condition of the premises and they accept no liability, legal or otherwise for the buying contract or for any accident. Every effort will be provided for the safety for those attending this sale but the seller cannot accept liability for injuries that may occur. All persons attend this sale at their own risk.

HEALTH—All cattle will be sold according to the health regulations of the State of Iowa. Buyers must be aware of any variation between the laws of Iowa and their own states. Interstate health certificates will be furnished. In addition, calfhood vaccination for Brucellosis has always been practiced. All females have been vaccinated for Lepto and Vibrio.

CERTIFICATES OF REGISTRY—Certificates of registry with transfers entered and recorded in the buyer's name will be furnished for each lot sold and for every calf at foot. An application will be furnished for every calf carried in dam. Where footnotes appear in this catalog they were furnished by the seller or written from information supplied by the seller.

BREEDING DATES—Announcements from the auction block on sale day regarding breeding dates are final and will take precedence over the data in the catalog.

AUCTIONEER—Dick Kane, Wisner, Nebraska.

SALE MANAGER—Albert J. Hamann, Rock Rapids, Iowa.

VETERINARIAN—Drs. Weber and Schultz, Harley, Iowa.

PERSONNEL—C. D. Swaffar, Secretary, American Shorthorn Assn., Omaha, Nebr.; Gene McDonald, The Shorthorn World, Aurora, Ill.; Wade Hauser, Jr., Wallaces Farmer, Des Moines, Iowa.

Due to a number of reasons we are dispersing our entire Shorthorn herd.

First, our trucking business has grown and developed to the point where it takes most of our time.

Second, for that reason we have already rented out all of our farm land.

With so many outside activities it is difficult to care for our Shorthorn herd in the manner and way in which we have cared for them in the past and wish to do in the future.

The Shorthorn business has given us much. We have enjoyed the legion of friends we have made. All of our children grew up with Shorthorns. They have all been active in 4-H club work and junior activities. Two of our daughters have been Iowa Shorthorn Lassie Queens. One past, and one present.

Through the years we have continually tried to improve our herd by attending and buying selected tops in leading sales in many states and Canada. We sincerely feel that our bloodlines are correct and the cattle honest and productive.

Although at this time we are dispersing our herd, we fondly hope that we can keep in contact with the many friends we have made and that some day in the future we may be back in the Shorthorn business.

We would like very much to have the opportunity to greet our many friends, both old and new, on March 25.

LEONARD and RUTH ADAMS
AND FAMILY

Leonard and Ruth Adams invite you to be their guests at a Social Hour and Buffet Lunch on Friday evening, March 24, at the farm home located $\frac{1}{4}$ mile South, $14\frac{1}{2}$ miles West on Highway 18, then $1\frac{1}{4}$ miles North of the North Y Sale Pavilion, or $1\frac{1}{2}$ miles East and $1\frac{1}{4}$ miles North of Hartley, Iowa. Home located on west side of road. Make plans to join us for the evening.

Leonard Adams has been an energetic and active Shorthorn breeder for a long time. Over twenty years ago he was consigning top Shorthorns to strong, leading sales and doing very well.

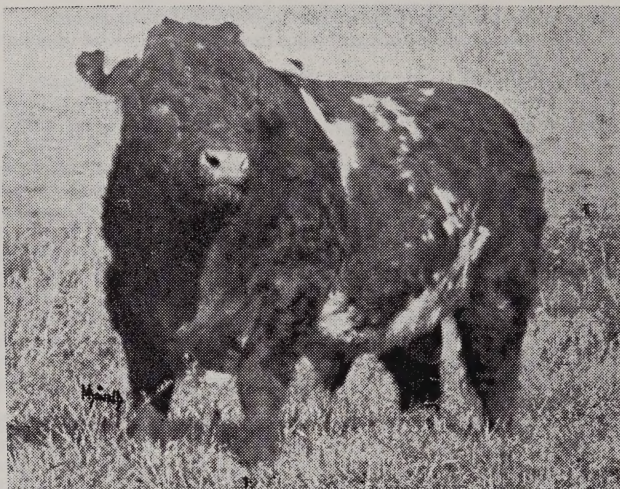

Through the years the entire family has been more than active in all Shorthorn activities. Both Leonard and Ruth have served in many capacities in Shorthorn, Lassie and Junior organizations. Their children, Dave, Pat, Claudia and Veronica have been or are very active as exhibitors and in junior organizations. Pat is a past Iowa Shorthorn Lassie Queen and Claudia is the present Iowa Shorthorn Lassie Queen. Therefore, the entire family deserves much credit for giving so liberally of their time and efforts to help promote Shorthorns.

Therefore, we regret to see this herd dispersed. However, with the pressures of many other endeavors and activities we can realize their reasons and hope that someday they will be back.

The herd will be sold in good, average breeding condition which is a definite advantage to the buyer. In its present makeup it contains many very well bred, reputation individuals which have been added for foundation purposes from many leading herds in the United States and Canada. The kind only offered in dispersions and that will make top foundation stock for other herds.

Therefore, I sincerely hope that everyone will attend this sale on March 25 and help themselves to this good dispersion offering.

ALBERT J. HAMANN, SALE MANAGER

COLOMEADOW TROJAN—The senior herd sire in the Len-Ru herd that was one of the tops in a Colomeadow sale at \$2150. As a calf he had a record weaning weight of 803 lbs. Many of his calves have been popularly accepted for junior 4-H and FFA projects. His get and service are liberally offered in this sale. He sells in just good average breeding condition.

Scotsdale Adrian

He is the sire of Lot 2 and Lot 40 in this sale.

ROTHNEY BARRACUDA—Here is a real top coming 2 year old bull that has size, thickness, good muscling and quality. He was purchased as a calf in the 1970 Rothney sale in Alberta and was slated as a junior herd sire. He is sired by the \$10,000 Scotsdale Adrian who was a tremendously big bull and has generations of top bulls in his pedigree. His dam comes from a noted Eliza family and is by the great old sire of champions, tops and All Americans, Scotsdale Trooper. This bull could well go to a good herd. He has been dehorned and will be semen tested.

MARLBORO BROADHOOKS S—An exceptionally well bred heifer that was a top heifer calf in the 1970 Marlboro dispersion. In addition, she was the grand champion Shorthorn 4-H heifer at the 1971 O'Brien County Fair for Veronica Adams. To make her doubly valuable she was bred on Oct. 8, 1971 to the great 1970 sire of the year, T P S Coronet Leader 21st x and should produce a great calf. Vaccinated for Lepto and Vibrio. Will be pregnancy examined.

Rothney Mary 40B

1971 Iowa State Fair Reserve Champion Shorthorn 4-H heifer for Claudia Adams, 1971 Iowa Shorthorn Lassie queen, holding.

ROTHNEY MARY 40B—A tremendously big modern heifer that will make a big cow. She is sired by the big \$10,000 Scotsdale Adrian and her dam is by the sire of champions, All Americans and sale tops, Scotsdale Trooper. Thus she is line bred in the blood of the 2300 lb. Royal Winter Fair Supreme Champion, Scotsdale Navarre. She was the reserve grand champion Shorthorn 4-H heifer at the 1971 Iowa State Fair and grand champion of the 1971 North Iowa Junior Prevue Show for Claudia Adams. She was bred Nov. 15, 1971 to the great T P S Coronet Leader 21st x. This is a great combination. Vaccinated for Lepto and Vibrio. Will be pregnancy examined.

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals cataloged have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
